

## About the Speakers

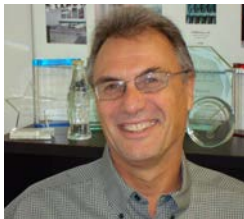

**Angela Cain** is Chief Executive Officer of CoreNet Global, the world's leading professional association for corporate real estate (CRE) and workplace executives, service providers, and economic developers.

Angela was appointed CEO on February 25, 2010, bringing with her a strong combination of association management experience and first-hand knowledge of the real estate industry.

She has more than 14 years of non-profit association management experience at the global, national, state and local level. Her selection as CoreNet Global CEO comes at a critical time for the CRE industry and the association, mainly in terms of the economy's impact on the property and investment markets, as well as the fast-changing professional and career development needs of CoreNet Global's 8,500 members worldwide.

With a proven track record in developing sound fiscal and operational policy, leading in times of crisis, strengthening revenue streams, adding value for dues dollars and fostering staff and volunteer partnerships that work, she was recognized in 2007 as one of Mississippi's 50 Leading Business Women by the *Mississippi Business Journal*.

She also was honored by the American Society of Association Executives with the 2007 Associations Advance America Award of Excellence for her association's significant response to Hurricane Katrina, the largest natural disaster in our nation's history.
