
2015 NORTH AMERICAN SUMMIT YOUNG LEADER SCHOLARSHIP

SCHOLARSHIP OVERVIEW

Brief

The Colorado Young Leader Summit Scholarship was established in 2013 by the Colorado CoreNet Global Board of Directors as a means to raise the level of engagement and broaden a Young Leaders' perspective of membership and educational benefits. The Summit is the ultimate CoreNet experience, where one can connect and build relationships with global peers involved in corporate real estate including Corporate Real Estate Executives, Service Providers and Economic Developers. Colorado has a strong presence at the Summits, and this is a great time to network with those in your own Chapter in addition to the other Chapters.

"The CoreNet Global North American Summit was a paramount experience. Not only was I able to network with diverse and inspiring leaders from across the globe, but attend high-caliber learning programs to reflect forward-thinking ideas and solutions. CoreNet Global is the organization where I always have meaningful opportunities to connect, grow, learn and belong."

Jenny West, Young Leader Scholarship Recipient 2013 Young Leader Co-Chair Architecture and Design Manager at Knoll, Inc.
